Holding power (to stainless steel)	Mins	30±10
Tensile strength	N/S	1.72
Temperature resistance	130 °C/2H	
Cut size	As per customer requirements	

# 02

## Foil Washi Tape

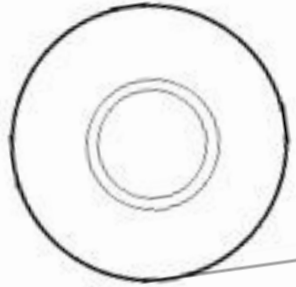

Cool foil effect, in a variety of bright colors. Perfect for gift and holiday decoration.

In the early 2015, the latest item, foil tape, found its position in our washi tape family.

Which is made from washi paper, foil tape retains the advantages of washi tape, and added with foil color.

Unique and dazzling, **better than ever!**

## Structure

Acrylic water based

Washi paper

Foil pattern

## Feature

- Foil slightly shake off, not affect usage
- Easy to use by hands
- Remove cleanly

# 03

## Glitter Tape

Add a sparkling touch to creative projects.  
Great for gift wrapping and paper projects.

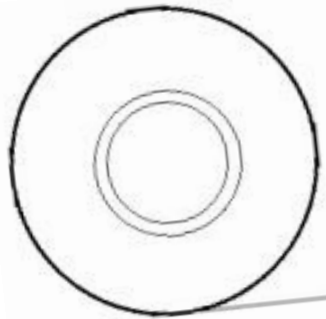

To meet our customers' needs, we figured out a way to produce another lovely tape - glitter tape, which was made without release paper and with lots of shining spot on.

Till now, we've got several colors and design patterns.

**And more of them would be on their way!**

## Structure

Water based adhesive

Eco-CPP

## Feature

- Fine glitter, no glitter shake off
- Available in 400 patterns
- Stick to most surfaces
